2022 SUMMIT SPONSORSHIP PROSPECTUS

The Bay Area Urban Areas Security Initiative (BAUASI) is proud to present the **2022 Public Safety Preparedness Summit**. This event provides a collaborative, innovative, relationship rich environment for public safety, emergency management, public health, emergency medical services, public information, alert and warning, fire services, law enforcement, information technology, and partnering organizations to come together in-person. Kicking off with a region-wide tabletop exercise focused on pandemic preparedness, the Summit includes two full days of seminar and training sessions with keynote speakers, panel discussions, and networking.

This three-day Summit involves more than 500 public safety professionals and private sector partners across the Bay Area, California and other U.S. jurisdictions. *Sponsorships will allow these participants to strengthen cross-agency relationships and engage with private-sector vendors through a networking reception on Wednesday November 2, 2022.*

Sponsoring organizations are encouraged to attend and participate in the Summit which features a full day pandemic preparedness tabletop exercise and four concurrent tracks: (1) Mass Notification Seminar, (2) Domestic Violent Extremism Symposium, (3) Cyber Resilience Seminar, and (4) Securing the Cities Tabletop and Trainings. Registration and program details are available at BayAreaUASI.org/summit.
