NOVEMBER 3-5, 2021

SECURING THE CITIES (STC) DRILL

Work as a team to gain proficiency in executing essential tasks to protect the community and secure critical infrastructure in a safe and efficient manner. Learn how to ...

to detect radiation.

assess the threat status of a RN situation

perform reachback, and resolve RN alarms

SAVE THE DATE: NOVEMBER 3-5, 2021

Participants in the Securing the Cities (STC) Drill will perform a preliminary radiological assessment with a Personal Radiation Detector (PRD) and secondary screeners will operate Radio Isotope Identification Devices (RIIDs).

All STC partners are welcome to join the exercise. This series of drills will reinforce the skills of emergency responders previously trained on to use radiation detection instruments. ***This is your opportunity to practice with the support of CTOS instructors.***

Please sign up to participate in the [STC Drill at UASI Summit](#). For November 4th Summit presentations use the [Public Safety Preparedness Summit](#) registration.
